

Product End of Life Notification

EOL No: 2010-02-08-01

Report Date: February 8, 2010

Subject: 20x2 Character LCD FFSTN –Yellow End of Life

List of Products to be Obsolete :

MOP-AL202C-BFTY
LK202-25-FY
LK202-25-USB-FY
Display Modules with PC Mounting Brackets, BLC/BLK-xx-FY-xx
All Options: -V, -VPT, -E and colours

Matrix Orbital is discontinuing the FFSTN 20x2 displays, colour extension '-FY'. We recommend the use of the FSTN 20x2 displays, colour extension '-IY' in replacement for these FFSTN obsoleted displays.

Schedule of Change:

The small amount of stock FFSTN displays are expected to be depleted by March 31, 2010. After which time these displays will no longer be available.
